## DO YOU WANT TO BUILD A SNOWMAN – PARODY for Barbershop Quartet - LYRICS

Do you wanna build a snowman?  
Snow man?  
Come on let's go and play, come on let's all play.  
I never see you anymore, come out the door;  
it's like you've gone a-way,  
Yes we've gone far a way!

We used to be best buddies,  
Not so much,  
And now we're not.  
We never were.  
I wish you would tell me why?  
Tell you why?  
You don't know why?  
Do you want to build a snow-man?  
No!  
It doesn't have to be a snowman.  
You got that right.  
Okay bye.

Do you wanna build a snowman?  
Snow man?  
Or ride our bikes around the halls?  
How, old are you? Five!  
I think some company is over-due.  
I've started talking to the pictures on the walls.  
This guy is nuts!

It gets a little lonely,  
All those empty rooms,  
Just watching the hours tick by.  
Tick-tock by, tick-tock by,  
By and by, by and by.

Let's go out and build a snowman.  
We can really build a snowman?  
Yes we'll build your stinkin' snowman today or die!  
Gonna build that frickin' snowman or die!

CONCEPT – The lead wants everyone else in the quartet to go out and build a snowman. The others think he is crazy and childish. But after noticing that his feelings are hurt “Okay bye”; the others decide to come along side of him. The lead takes it too far with the “ride the bikes around the mall”. But alas the others do decide in the end to help build their friend's snowman. This uses simple interactions from the quartet. Total time is just over 2 min. Key of G.
